

Antumbra Electrical Frames

Power, data, and audiovisual wiring frames

Stylish wiring solutions for any project

Dynalite has partnered with Simon Electric to exclusively provide the perfect combination of power and connectivity options for a complete project offering.

Our frames, available in one- to four-gang sizes, are designed to match Antumbra panels in size and color.

Antumbra Electrical Frames

Power, data, and audiovisual wiring frames

- **Antumbra styling** – Designed to match the Antumbra range of user interfaces for a consistent look and feel throughout your project.
- **Range of frame sizes** – Holds any combination of one to four modules per frame.
- **Décor-matching options** – Frames and modules are available in a range of attractive metallic finishes.
- **Designed to pair with any electrical module from the Simon Electric V8 range** – Mains outlets, networking ports, audiovisual connectors, room status indicators, doorbells, and more.
